## Your Adviser's Experience

I have been involved in the Financial Services Industry since 1977.

My ethos is that financial advice is "all about you and not about me."

Providing Aged Care and Centrelink advice are 2 of my specialities ensuring that there are no conflicts with combining the 2 and maximising entitlements.

My offering is holistic, including evaluation of Centrelink eligibility, completing forms and applications, attending Centrelink appointments, and keeping records up to date. I can also assess what is the most efficient way to fund Home Care Packages or Residential Aged Care entry. Seeking Professional Advice in the Aged Care space is a "must" as you only get one chance to get it wrong!!

I am an accredited Aged Care Specialist and my studies, accreditations and practical experience in recent years have homed in on these skills.

In my spare time I enjoy lawn bowls and everything to do with cricket.

## Education and Qualifications

- Bachelor of Commerce (Griffith University)
- Diploma of Financial Planning (Deakin University)
- Aged Care & Centrelink Masters Subject (University of NSW)
- CERTIFIED FINANCIAL PLANNER® (FPA Australia)
- Accredited Aged Care Professional (Aged Care Steps)
- FASEA Code of Ethics National Exam
- Commissioner for Declarations (Queensland)

## Memberships

- Financial Advice Association of Australia (FAAA)
